

Poster Presentations

Posters will be grouped by topic, numbered and listed according to the Scientific Program.

Poster presenters will be informed of their poster number, presentation date and time.

Posters should be affixed, discussed and removed on the dates and at the times, which will be communicated to authors. Any posters remaining after the designated time will be discarded by the organization.

Poster presenters will be required to be present at their posters during the specified poster presentation time slot.

Handouts of abstracts / posters (with addresses) to your interested readers may facilitate future research communication.

Posters Size:

Maximum width: 85 cm, Maximum Height 120 cm.
